

MAARTEN ARMCHAIR by Víctor Carrasco

Swivel armchair for the home and for public facilities. Its lacquered steel tube structure and carefully made, elegant, upholstered seat recall the classics of the '70s.

Maarten is available in a large quantity of finishes to adapt to different environments.

Totally in line with its original design we have made arms in lacquered steel tubing for our successful Maarten chair.

VÍCTOR CARRASCO

Born in Valencia (Spain) in 1974, Victor Carrasco began his professional career after graduating Cum Laude in Industrial Design Engineering at the Polytechnic University of Valencia.

Shying away from trends and fads, he has developed and positioned international brands with remarkable added value, thanks to his passion for synthesis, sustainable growth and his pragmatic vision of the future.

Since 2007, he has been combining his position as strategic director of Viccarbe with that of Design Director for the prestigious American multinational Coalesse (Steelcase Inc.). Likewise, as an industrial designer, he has collaborated with numerous international companies such as Boffi, Glas Italia, Gandia Blasco, LZF, Vibia and Vaalva, among others.

He was the recipient of the Prince Felipe Award for Business Excellence in 2008.
