

Four modern plastic chairs are arranged in a row against a light gray background. From left to right, the chairs are yellow, light blue, black, and teal. Each chair has a simple, minimalist design with a flat seat and a slightly curved backrest. The text 'ÉLÉMENTAIRE' is overlaid in large white letters across the middle of the chairs.

ÉLÉMENTAIRE CHAIR AND SEAT PAD

With Élémentaire, Ronan and Erwan Bouroullec set out to create a chair that is both aesthetically and physically balanced. A mélange of years of work and experience, Élémentaire uses the latest technology to create a chair that is robust enough to be a long-lasting object while still appearing delicate. Precise proportions and a clear profile give Élémentaire a charm that allows it to stand out on its own or look strong in a group. Designed for everyday life, Élémentaire fulfils basic needs in a balance of beauty and strength.
