

Collection of tables for the home and commercial installations.

The STAN collection is distinguished by the numerous sizes, finishes and shapes of the tops and the three heights that are available so that it adapts to any environment.

TECHNICAL INFO

Cold rolled laminate steel base in white, black or silver. It is treated with a lower gloss finish that enhances its scratch resistance.
 Top in different finishes: Compact 12 mm thick with black edge, or LPL Low pressure laminate.
 Different base sizes available.
