Gher

Gher is a system of sleek, simple tables with solid wood legs for a warm, natural feel. The base, available in four different wood color finishes, can be combined with a range of tops available in different sizes and shapes to create a stylish, versatile look, for both home or contract use. Gher collection tables are 74 cm high and available with a round, oval, rectangular or square top. The solid natural oak legs are available in five colors: white, bleached oak, natural oak, wengé and teak. The white lacquered MDF top can be combined with all leg finishes.
