Nuur

Nuur is the archetypal table: a single, spare plane floats above four slender legs. The result is aesthetically pure but flexible. A universal system based on the simple principle of four corner legs, four rails and a top, Nuur adapts to diverse applications and environments. Table tops are available in square or rectangular formats in either colored laminate or wood veneer. The structure is available in polished or painted aluminum.

Designer

Simon Pengelly, 2009

Specializing in furniture and product design, Pengelly Design was founded in London by Simon Pengelly in 1993. His studio demonstrates a pragmatic approach and an affinity for design solutions that consider function, appropriate material and production processes. Their products, such as Nuur and Babar, are distinctive in their fusion of lightness, understated elegance and timeless appeal with modular rigor.
