Reframe Lounge Seating™

Designer
E00S

Original Production Date
2018

Warranty
12 years

Reframe Lounge Seating is available in three back heights: The mid-back is low and open to encourage conversation. The wing-back is more closed and protective, almost wrapping the sitter to limit peripheral distractions and encourage focus. In comfort and function, the high-back is a blend of these two versions. Used thoughtfully across an office landscape, the family can outfit a mix of collaborative and individual work settings.
