Lievore Altherr Molina

The Lottus Wood family features a new spin foot design made of oak wood. The new frame can be attached to the Lottus and Lottus High shells and incorporate oak wooden armrests as an accessory. Its incorporation brings warmth, lightness and comfort to the family, making it the ideal choice for soft office and hospitality spaces.

La familia Lottus Wood incorpora un nuevo diseño de patas spin fabricado en madera de roble. La nueva estructura puede acoplarse a las carcasas Lottus y Lottus High e incorporar como accesorio los reposabrazos de madera de roble. Su incorporación aporta calidez, ligereza y confort a la familia, convirtiéndola en la opción idónea para espacios soft office y hospitality.

Lottus Wood Spin

The Lottus Wood Spin chair is developed with a fixed oak foot being the perfect addition to the Lottus Wood as well as Lottus as Lottus High collections. It can be completed with plastic, wood or even upholstered shells and the option of incorporating same finish oak plywood arms.

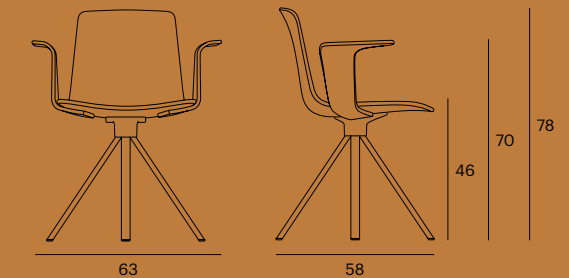

La silla Lottus Wood Spin está desarrollada con una pata fija de madera de roble que la hacen el complemento perfecto tanto para la colección Lottus Wood como Lottus y Lottus High. Pueden combinarse con carcasas de plástico, madera o tapizadas y ofrece la opción de incorporar brazos de madera de roble contrachapados del mismo acabado.
