

# Ollin® Laptop and Tablet Mount

Ollin Laptop and Tablet Mount attaches to Ollin and Flo monitor arms for laptops and tablets, delivering ergonomic benefits that help you up your game at work or at home. You stay comfortable because you control the height, distance, angle, and orientation of your device. By raising your laptop or tablet up off the work surface, the combination of the monitor arm and mount also frees up desk space.

## Benefits

- Reduces eye, neck, and back strain by allowing you to position your device where it's most comfortable, when combined with an Ollin or Flo monitor arm and a separate mouse and keyboard
- Supports landscape or portrait mode for tablets with a smart clamping mechanism
- Adds style to any workplace with its thin profile, curved edges, and premium finish

## Warranty

12-year

## Key Features

- Smart Clamping Mechanism**  
The mount securely holds tablets from 9.7 inches to 13 inches (243 to 330mm), and any laptop weighing up to 6.1 pounds (2.8kg).
- Seamless Solution**  
When combined with the Ollin Monitor Arm or Flo Monitor Arm (which requires an additional weight plate), the mount makes your laptop into a more useful tool because you can position it where it's most comfortable for viewing.
- Dual-Screen Player**  
When it's part of a dual-screen setup, the mount maximizes space, productivity, and comfort.
- Integrated Cable Management**  
Integrated cable management helps keep cables off the desk and your workspace looking professional.
- Supportive of Two Modes**  
You can easily rotate your tablet from landscape to portrait, even when the monitor arm is raised.
- Finishes**  
The mount is available in silver, white, and black.
