# MADERA NATURAL.

## NATURAL WOODS.

Muestras indicativas. La madera es un producto natural por lo que puede verse sometida a variaciones de color y veta.

**Acabados al agua.**

**Muestras realizadas sobre chapa de madera.**

Para conocer en qué otros materiales y productos se puede aplicar estos colores y como cuidarlos, por favor, consulte nuestra web o tarifa.

[www.sancal.com/care](http://www.sancal.com/care)

These samples are just indicative. Wood is a natural product; therefore it may have some changes of colour and grain.

**Water-based lacquer.**

**Sample colours are on woods veneerss.**

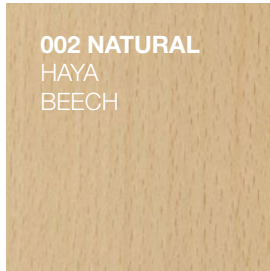

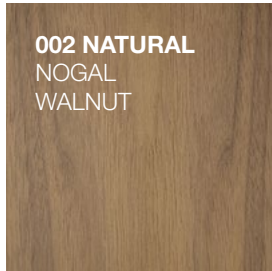

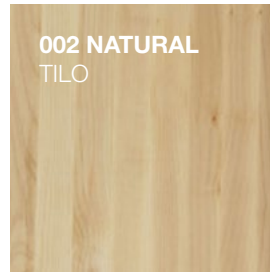

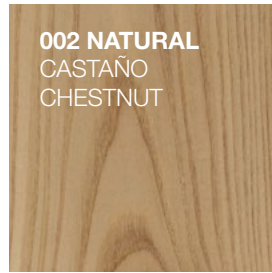

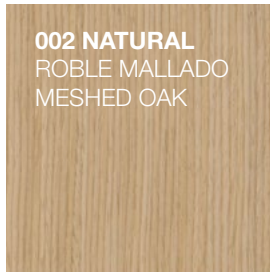

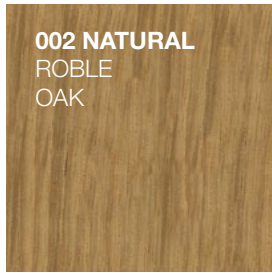

Check our web or price list to find out which other materials and products are available in these colours and how to care for them.
