Ramos&Bassols

After several years of experience in different fields such as urban furniture, tableware, lighting and office furniture, etc... David Ramos and Jordi Bassols have created in 2004 Ramos + Bassols studio.

Based in Barcelona, they offer a personal view on contemporary design. "We always search the balance between form, function and aesthetics in our products". In the last years, the studio has received several international awards such as: Hospitality Design Product 2010, International Interior Design Association 2010 award, The IF Design award 2015, the Red Dot Award 2015, and the Gold award Best of Neocon in 2016.

Copa

"Its height is perfect for collaborative areas or spaces in between."

Lounge Chair

2020 — With an elegant wooden four-legged base, this new design lands in the collection keeping proportions and comfort as the main premises. Its height (slightly lower than that of the chair) is perfect for collaborative areas or spaces in between. It has been shown that, at a lower altitude, there is a greater likelihood of reaching a greater understanding between people.
