CONNECT BED NEW COLOURS

Design by Leif Jørgensen

HAY

Connect Bed | New colours

Leif Jørgensen's Connect Bed combines traditional craftsmanship methods with high-tech tools and processes to create a razor-sharp design with pinpoint precision and an easy-to-assemble construction. The range of colours – including new shades in Maroon Red, Deep Blue and Alabaster – elevates Connect's uncluttered aesthetics and modest expression, making it easy to integrate in most bedroom styles and décor. HAY recommends using Standard Bed Slats and Standard Mattresses with Connect Bed for the optimal complete solution.
