## OUR WHITEBOARDS

Our ceramic steel whiteboards are of the highest quality and include a 30-year warranty on the writing surface. The steel sheet core is made of 50% recycled material and the boards are up to 99% recyclable. All boards are individually packaged and include fittings for wall mounting.

When ordering chalkboards or whiteboards in other colours than white, please add one of the following prefixes in front of the article number:

BE = beige (whiteboard)  
G = green (chalkboard)  
GG = graphite grey (chalkboard)  
B = blue (chalkboard)  
GR = light grey (whiteboard)  
S = black (chalkboard)

For matte or semi-matte surface, please add one of the following prefixes to the article number:

S = Semi-matte  
M = Matte

Since writing is difficult to erase on a matte surface, we don't recommend matte surface as a writing board.

## AIR FLOW

A magnetic ceramic steel writing board with white bevelled edges instead of a traditional frame. The unique soft shape consists of a continuous curved line that gives the board a subtle flowing look. Designed by HALLEROED.
