# Storage Universal Credenzas

## Universal Credenzas

Bringing a lighter and more residential aesthetic to the workplace. Available in a considerable number of finishes, the Universal Credenza is a great way to add colour to a scheme, or to complement other furnishings in the workplace.

Floor-up credenzas, with a carcass that starts at floor level, therefore offering the most efficient way to store work related paraphernalia and personal items at the workstation. Credenzas can also be a way to manage technology to complement a meeting space or room.

Floating credenzas, with either Antenna-style feet or Scope-style wooden legs, offer a more domestic aesthetic to the credenza.
