

VISU LOUNGE CHAIR

MIKA TOLVANEN ON THE DESIGN "The idea for the Visu Lounge Chair was to create an elegantly simple interpretation of the archetypal plywood chair. I wanted for the design to have a subdued and timeless character that would add feelings of modern familiarity to any room together with a comfortable seat in form-pressed veneer. The Visu Lounge Chair is designed with elegant curves and grand comfort for a new perspective on the traditional wooden chair, echoing the ideas of Scandinavian design together with a modern expression."
