

Nevi Link

With Nevi Link, a sit-stand desk system can be a reality for every business. Nevi Link's pared-back design combines the essentials for sit-stand with our trademark quality and warranty. And by encouraging people to move between postures you are giving them what they need to do their best work, increasing energy and productivity, while protecting your bottom line.

Benefits

- Encourages regular movement between seated and standing postures.
- A simplified design and curated finish options makes bringing a sit-stand system to your office straightforward.
- Nevi's cost-effectiveness means business can afford to invest more in other ergonomic tools and work spaces their teams need to succeed.

Warranty

Work surface: 12-year, 3-shift
Base: 5-year, 1-shift
